

The logo consists of a central circular emblem divided into four colored segments: red, blue, green, and yellow. From the top of this circle, a thin, elongated purple teardrop shape extends upwards. From the bottom of the circle, four teardrop-shaped elements extend outwards: a yellow one to the left, a green one to the right, and two light blue ones on the far left and right. The entire logo is centered on a black background. Surrounding the central logo are several large, overlapping, semi-circular shapes in vibrant colors: a large teal shape on the left, a large magenta shape on the right, and a large yellow shape at the bottom. Small slivers of blue, orange, and red are also visible at the edges.
